

Coroners Inquest Report

Inquest Report on Emmanuel Tuck

Inquest Taken Before Mr. Whitmarsh

At Swindon, on the body of Emmanuel Tuck, eighteen weeks old. The mother deposed, That about half past five in the morning, deceased was taken unwell, when she took him to a surgeon in the town, and upon his examining the child, it was dead. The medical gentleman was of opinion that death was occasioned by spasms in the throat, and a verdict was returned to that effect.

Bath Chronicle, 7 March 1850
