

Proposed Memorial to Swindon Heroes

In furtherance of the scheme for the erection of a memorial to the Swindon men who were killed or dies of disease in the South African war, we publish the appended list, which has been compiled from information received at the Town Clerk's Office. As will be seen, there are several names to which the regimental numbers are not attached and other details are lacking, and friends in a position to supply the deficiencies are invited to communicate with the Town Clerk. Following are the particulars to hand:-
