

# *A PICTURE FROM THE PAST*

Below is a photograph of the former cloth factory in Upton Lovell as it was before the destructive fire of 1906.

At the time of the fire the building was owned by **William Walker**. After the fire the business was transferred to Trowbridge to the Home Mills of Salter & Co.

Up until the 1950's several people who worked in the mill at Upton Lovell were resident of Trowbridge having moved there to continue working for William Walker.

The original photograph was owned by Mr. **Charles Dredge** of Rock Road, Trowbridge and was reproduced in the Wiltshire Times during the 1950's
