*Christchurch,  
Warminster  
1850-1899*

**1871**

The cost of the new chancel and organ at Christ Church amounted to £1, 200. After the dedication service, a debt of £40 remained. This deficiency has been met by a kind contribution of £50 from a parishioner, who has also generously offered £500 for a new church, or chapel school, on Warminster-common. **Western Gazette, 8 December 1871**
