

NATIONAL EGG COLLECTION Another Two Thousand Eggs

Over 2,000 eggs were collected and sent away last week, the total being 2,147. The districts to show an increase were Keevil and Hinton, Semington, Bradley and Broker's Wood, Holt and Broughton Gifford, Wingfield and Road Common, Heywood, Beanacre, and Westwood. Melksham's return was exactly the same as the previous week. The number from Trowbridge itself is very disappointing, and the same applies to the town of Westbury. The country districts in nearly every case keep up their numbers, which is very gratifying, especially as the numbers of wounded men is increasing and all are most grateful for any act of kindness we can show them. The numbers for the various districts are as follows:-

Bratton	235
Staverton	222
Melksham Forest	168
Keevil, Hinton, with Hag Hill	158
Holt and Broughton Gifford	153
Bradley and Broker's Wood	141
Melksham and Bower Hill	139
Wingfield and Road Common	130
Steeple Ashton	116
Heywood, Hawkeridge and Yarnbrook	96
Westbury district	93
Westwood, Iford, and Avoncliff	81
West Ashton, Dunge, and East Town	80
Semington	65
Trowbridge	62
Hilperton and Marsh	61
