

## **MORTGAGE of LANDS, &c.**

PERSONS having occasion of SUMS of MONEY thereon, may be accommodated therewith, (if the securities are approved of) and those who have money to place out, may be generally furnished with good securities, (if the rate of interest be agreeable). Also persons having Freehold Estates to be disposed of, situated within about twenty miles of Salisbury, may find purchasers, at their full value, by applying to Mr. Hall, at Wilton, Wilts.

Those that apply to Mr. Hall by letters, are requested to frank them, and to be as explicit as possible in their account of the securities thereby offered.
