About 2½ miles from Swindon.

To BACON FACTORS, MERCHANTS, and OTHERS

Mr. JAMES HINTON has received instructions to SELL by PUBLIC AUCTION, at the Three Tuns Inn, Wroughton on MONDAY, the 22nd day of December, 1879, at Six for Seven o'clock in the evening all that

now used as the Primitive Methodist Chapel, situate in the centre of the village of Wroughton, together with the pew seats fittings thereof.

The Building. Pew seats, and fittings, will be first offered together, but, if desirable, the fittings will be sold separately.

The building is so constructed that the removal of the fittings will leave the interior in as good a condition as at present, and it would make a capital warehouse, or there is ample room for the erection of a bacon factory.

Wroughton being in the centre of an agricultural district gives an unrivalled opportunity for the carrying on of a good bacon business.

There is in addition a large piece of ground, both at the rear and front of the building.

Further particulars may be had of the Auctioneer, at his office, the Mart, New Swindon.

November 20th 1879.
