Transcribing of Parish Registers and Bishops Transcripts is carried out by a team from Wiltshire Family History Society. Edington was transcribed and entered on computer by Barbara Rogers and checked by Beryl and John Hurley, 2006-08.

Every attempt has been made to transcribe the BTs and Registers accurately, but it is advisable to use this as a finding aid, and check the details.

The Society wishes to thank the staff of the Wiltshire & Swindon History Centre for the help given.

Cover taken from Andrew's and Dury's map of Wiltshire 1773.
