Transcribing of Parish Registers and Bishops Transcripts is carried out by a team from Wiltshire Family History Society. Alvediston was transcribed by Eileen Parkins, entered on computer by Beryl Hurley and checked by John Hurley, 2000/1.

Every attempt has been made to transcribe the BTs and Registers accurately, but it is advisable to use this as a finding aid, and check the details.

The Society wishes to thank the staff of the Wiltshire & Swindon History Centre for the help given.
