Transcribing of Parish Registers and Bishops Transcripts is carried out by a team from Wiltshire Family History Society. Those involved with Pitton and Farley were Jean Philpott, Joyce Newton and John Hurley, 2001-03.

Every attempt has been made to transcribe the BTs and Registers accurately, but it is advisable to use this as a finding aid, and check the details.

The Society wishes to thank the staff of the Wiltshire & Swindon History Centre for the help given.
